

MOBILE SERVICES FOR SCHOOL ATHLETIC DEPARTMENTS

CELL PHONE AUDIO DIAL-IN PACKAGE

Our Audio Platform lets you offer your audience interpretation through their mobile device. You simply call our Recording Phone Hotline number to record or upload the audio. On signage you can display the Audience Phone Hotline number to your members. They call from their cell phone, press the corresponding key and learn more about things such as hours of operation, directions, membership, workout of the day, class schedules, etc. They can even call to listen to a coach or leave feedback.

What is included?

- Local phone number for users to hear audio
- Unlimited audio content
- Online administrative dashboard; 24/7 instant reporting

Optional Services: Feedback line, Audio Generated Text Messaging

TEXT MESSAGE PACKAGE

Use texting to communicate with players and coaches of important updates such as hours of operation, schedule changes and alerts on special training. Offer discounts and deals, collect valuable contact information, share different play options, play changes, health tips and training material with players, coaches and employees and also have them take quizzes.

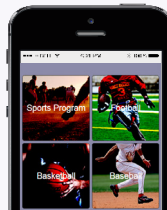

What is included?

- Text messaging short code
- Designated keyword (you select)
- Unlimited secondary keywords
- Online administrative dashboard; 24/7 instant reporting

Optional Services: Web widgets to collect sign-ups on a webpage; Connect to cell phone dial-in; Mobile Fundraising

MOBILE WEBSITE/QR CODE PACKAGE

Our Mobile Website platform allows you to share multimedia content, including video, audio, text and images through a mobile phone. Our Mobile Website Builder is affordable, easy to use, and does not require an I.T. Department. Perfect for maps and directions, collecting member feedback, meeting the trainers, video workouts, virtual gym tours, inspirational photos, class schedules, membership, etc.

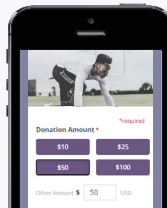

What is included?

- Customizable URL
- Unlimited number of content pages
- Monitor page views and times
- Online administrative dashboard; 24/7 instant reporting

Optional Services: SuperQuiz; Text Messaging; Apps; Customization

MOBILE FUNDRAISING PACKAGE

Our Mobile Fundraising service allows you to collect credit card donations on the go. Great for collecting donations during outdoor events, rallies and at health fairs or events with immediate sign-ups.

What is included?

- Designated short code and keyword for easy text access
- QR Code
- Online administrative dashboard; 24/7 instant reporting

Optional Services: Additional Primary Keywords; Screencasting for live events
