

MOBILE SERVICES FOR PARK & REC ORGANIZATIONS

CELL PHONE AUDIO DIAL-IN PACKAGE

Our Audio Platform lets you offer your audience interpretation and insight through their mobile device. You simply call our Recording Phone Hotline number to record the audio (or you can upload MP3 files). On signage you can display the Audience Phone Hotline number to your visitors. They call from their cell phone, press the corresponding key and learn more about things such as hours of operation, weather advisories, etc. You can even receive recorded feedback from your visitors and offer multi-lingual options.

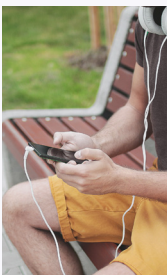

What is included?

- Local phone number for users to hear audio
 - Unlimited audio content
 - Online administrative dashboard; 24/7 instant reporting
- Optional Services:** Feedback line, Audio Generated Text Messaging

TEXT MESSAGE PACKAGE

Use texting to communicate with guests during a visit, increase attendance at events, and alert patrons of important updates such as weather advisories, field closures and class schedule changes. Distribute coupons via text, allow visitors to buy tickets and memberships, take quizzes and go on scavenger hunts, as well as collect valuable contact information such as email addresses.

What is included?

- Text messaging short code
 - Designated keyword (you select)
 - Unlimited secondary keywords
 - Online administrative dashboard; 24/7 instant reporting
- Optional Services:** Web widgets to collect sign-ups on a webpage; Connect to cell phone dial-in; Mobile Fundraising

MOBILE WEBSITE/QR CODE PACKAGE

Our Mobile Website platform allows you to share multimedia content, including video, audio, text and images through a mobile phone. Our mobile website builder is affordable, easy to use, does not require an I.T. Department. It allows you to create mobile websites that look great across all Smartphones, and are also accessible via QR Code and text message. Perfect for sharing class schedules, instructional videos, maps and directions, and collecting visitor feedback.

What is included?

- Customizable URL
 - Unlimited number of content pages
 - Online administrative dashboard; 24/7 instant reporting
- Optional Services:** SuperQuiz; Text Messaging; Apps; Customization

MOBILE FUNDRAISING/PAYMENT PACKAGE

Our Mobile Fundraising/Payment service allows you to raise money and collect credit card payments from your patrons on the go. Great for conservation efforts, raising money to improve equipment and facilities, and payment for things such as rentals and classes

What is included?

- Designated short code and keyword for easy text access
 - QR Code
 - Online administrative dashboard; 24/7 instant reporting
- Optional Services:** Additional Primary Keywords; Screencasting for live events
